QualityCare Pharmacy

Our pharmacies operate under the Quality Care Pharmacy name and are located within our Econofoods, Family Thrift Center, Midtown Foods, NoFrills and Sun Mart stores primarily in the upper Midwest. Our Corporate-owned retail stores generally command a #1 or #2 market share.

What Sets Us Apart...

- ❖ 100+ pharmacists who are serving close-knit communities
- ❖ Hours that fit not only your patients' lives, but your own
- ❖ Interaction with community residents
- ❖ Small town feel with the benefits of a Fortune 500 company
- ❖ Direct contact with corporate management
- ❖ Freedom to develop your own career
- ❖ State of the art technology

We offer the flexibility to research and propose your own program.

"Coming from a large chain pharmacy, the atmosphere influenced me to join Nash Finch."

"My position is very satisfying; I have time to talk with customers and develop relationships with them."

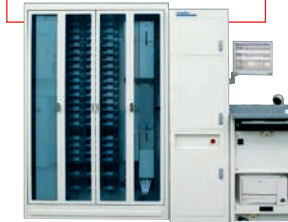

"We have the support of corporate but also the ability to operate independently. I enjoy that aspect of my position."

"We have competitive salaries, a comprehensive benefits package, responsive corporate supervision, and progressive technical support."

"I've had 26 years of service and continue to be very happy with my employment."

SP 100™ Robotic Prescription Dispensing System automates the repetitive, manual dispensing tasks most subject to human error and frees up valuable time for Pharmacists.

Supporting Families Where We Live And Work

Community involvement...

The NFC Foundation was established to support the needs of families and children in the communities where our associates live and work. The foundation continues the tradition of supporting industry education, such as grants to the North Dakota State School of Pharmacy. Community involvement is a long-standing Nash Finch tradition.

We are proud to be a contributing member of our communities and look forward to assisting those in need for years to come.
